Abstract

This document contains instructions and formatting guidelines for authors submitting the camera-ready version of their papers accepted to SYSTOR 2015.

Categories and Subject Descriptors CR-number [*subcategory*]: third-level

General Terms term1, term2

Keywords keyword1, keyword2

1. Instructions

1.1 Page Limits

- **Full papers** may include at most 10 pages of content, including everything except references.
- **Short papers** may include at most 5 pages of content, including everything except references.

1.2 Formatting

- Please use this latex template for the camera ready version. The template complies with the SYSTOR typesetting guidelines.
- Do NOT include page numbers in the final manuscript.
- Make sure all fonts are embedded in the resulting PDF file.
- Make sure to include the names of all authors along with their affiliation and email ID. Please refer to the sample author block in this document.
- Ensure that the figures and tables are legible. Please also ensure that you refer to your figures in the main text. Many readers print the papers in gray-scale. Therefore, if you use colors for your figures, ensure that the different colors are distinguishable in gray-scale.

Permission to make digital or hard copies of all or part of this work for personal or classroom use is granted without fee provided that copies are not made or distributed for profit or commercial advantage and that copies bear this notice and the full citation on the first page. Copyrights for components of this work owned by others than ACM must be honored. Abstracting with credit is permitted. To copy otherwise, or republish, to post on servers or to redistribute to lists, requires prior specific permission and/or a fee. Request permissions from permissions@acm.org.

1.3 Citations

Here are some example citations (Lampert 1994; Lastname1 et al. 2000; Lastname1 and Lastname2 2001).

2. Submission Instructions

- Authors will be individually contacted by ACM with instructions on submitting the rights management form. The system will also provide rights management text and a bibliographic strip to appear underneath the copyright notice. Authors are responsible for updating their manuscripts with this information.
- Submit the finalized PDF of your paper labeled as follows: SYSTOR15_”Lead Author”.pdf to yetsion@tce.technion.ac.il with the conference name and the number of your submission in the subject line (e.g., SYSTOR15 - # - Camera Ready).
- **The deadline for submitting the final paper and ACM electronic copyright forms is 11:59pm Pacific Daylight Time (PDT) April 28, 2015.**

A. Appendix Title
